

# Tripod stand

Item no. 5131

- Zinc plating of tripod stands (art-no. 5131-5136) serves as temporary corrosion protection. May peel off after direct contact with open burner flame.
- Choose stainless steel version (art-no. 5141-5146), alternatively.

## Technical data

Article no.	Material	Inside Ø mm	Height mm	Weight
5131	Zinc plated steel	100	180	290 g
5132	Zinc plated steel	120	210	340 g
5133	Zinc plated steel	140	220	385 g
5134	Zinc plated steel	160	230	400 g
5135	Zinc plated steel	120	250	380 g
5136	Zinc plated steel	120	260	390 g
5141	Stainless steel	100	180	290 g
5142	Stainless steel	120	210	340 g
5143	Stainless steel	140	220	340 g
5144	Stainless steel	160	230	400 g
5135	Stainless steel	120	250	380 g
5136	Stainless steel	120	260	390 g
