Retort Stand Base with flange and slot

Item no. 2008 NEW

The new stand base with flange from USBECK provides a stable base for versatile mounting systems. The integrated rod holder features a slot that allows clamping of plates and ensures increased safety when securing rods.

- Plate made of powder-coated steel, 8 mm thick
- Suitable for clamping round rods up to Ø 16 mm
- Suitable for clamping plates up to 5 mm thick
- Equipped with rubber feet for secure standing
- Comes with a nickel-plated brass eye bolt
